Quick Data, Quicker Decisions:

FocusRT is a Multi-Tier application that works seamlessly over Local Area Network and the Internet in a distributed business environment. It operates with amazing speed when it is required to update data from remote locations over the internet in real time or in batch mode.

Expert Consulting

An advertisement for expert consulting services. On the left is a black and white photograph of a man in a dark suit and tie, looking slightly to the right. The right side of the advertisement has a solid red background. On this red background, the text 'Let expert developers tailor an ERP to your exact needs' is written in a white, sans-serif font. Below this, the text 'Focus on process, productivity and profit' is written in a smaller, white, sans-serif font. At the bottom right of the red area is a white rectangular button with rounded corners containing the text 'Learn More' in a grey, sans-serif font.

BPR Infrastructure Ltd: Business Process Case Study

Type of Business: **Construction**

Softwares Used:

1. **Focus 6 (Accounting Software)**
2. **Currently working on 'Focus RT' (ERP Solution)**

Client Comments:**Mr.Goutham Reddy.B, Director:**

We have been associating with the product '**Focus RT**' (ERP Online Solution) for more than 3 years. Focus is **highly Customizable** and **user friendly** product. We are **very choosy** while selecting an **ERP** for our company. By considering our **previous experience with Focus, product features** and **ability to provide complete solution for our needs**, we have **opted Focus ERP**. I can say **core functionality** and **ease of use** are the **highlight features** of **Focus**.
